EXPLORE TERCEIRA

ANGRA: THE HEART OF ATLANTIC FREEDOM

There was a moment when Angra, on Terceira Island, stood as the solitary beacon of freedom during Portugal's Liberal Wars. Stroll through its historic UNESCO World Heritage center, admiring colonial architecture and 16th-century fortifications. Immerse yourself in local traditions, where locals come together to honor their heritage and let the breathtaking volcanic landscapes and ocean views remind you of the enduring spirit of freedom that defines this Atlantic gem.

WHEN YOU STAY IN PORTO, PORTO STAYS WITH YOU

Porto, the "Undefeated City", a testament to resolve and defiance against absolutism during the Liberal Wars of the 19th century.

The legacy of liberalism is visible in the architecture, culture, and institutions of the city, reflecting the relentless pursuit of freedom. Porto is recognised as an icon of this movement and of the fight for a fairer society in Portugal.

At every turn, a new tale of bravery unfolds, showing how Porto has become a beacon of perseverance and of the fight for a fairer city, built by and for its people! Begin your journey in the Historic Centre and explore the unique character of each of Porto's eight districts.

A SHARED PASSION FOR FREEDOM

For centuries, Terceira Island and Porto have been beacons of freedom and strength, resonating with those who cherish liberty. Travelers, particularly Americans, connect with these tales of courage and determination. Discover how the spirit of freedom transcends borders and generations, linking us all through our shared love of history, resilience, and the power of the human spirit.
